

# WE ARE SEARCHING FOR ENGLISH EDUCATORS (M/F/D)

## from now on

21 locations in Munich, Garching and Vaterstetten  
crèches and kindergartens

## What we expect

- An English Educator with an approved professional childcare qualification as an early childhood educator (minimum of BA in Early Childhood education; MA, diplomas or certificates add value)
- Perfect or very good command of the English language
- At least A2 level German language proficiency and a strong interest in learning German
- Professional experience in working with groups of infants and children aged 3 – 6 years
- Passion for working with children and interest in childcare and education
- Being familiar with theories and practices of child development and early childhood education
- Excellent communication and teamwork skills

## Your assignment

- You will implement our modern pedagogical concept in our centres and participate in the continuing development of the concept with our leadership team
- You develop projects which build upon our pedagogical foundations and implement them together with the children
- You accompany the children through their development and support their individual targeted needs
- You communicate openly and professionally with our parents and build a partnership to support the child's development

## What we offer

- Attractive pay and a permanent employment contract
- 30 days holiday per year
- High standards of workplace with modern and friendly rooms
- A friendly and dynamic team, flat hierarchies and active involvement in the teaching program

allowance of up to  
200 € per month

**Wichtel-saving:**  
additional financial  
incentives

## About us

Wichtel Akademie München GmbH is a family-oriented and modern company in the field of early childhood education in Munich, Garching and Vaterstetten. Every day we work with passion and enthusiasm in order to give the children a happy childhood. Our modern pedagogical concept provides our foundation for this very goal. Our aim is to prepare each individual child for their future. In doing so, we make sure that our kindergartens are centres of well-being, that offer the children a home away from home.
